Tort - Tort - Tort law and alternative methods of compensation: As already stated, compensation for personal injury and damage to property is a major aim of tort law. The objective is full compensation wherever possible, and in this respect tort compensation differs from funds received from the welfare state system in that the latter often tend to be calculated on a flat-rate basis.

Tort - Tort law and alternative methods of compensation ...

A tort occurs when someone commits a wrong against another person. Tort law allows individuals who have had a wrong committed against them to claim damages against the person who has committed the wrong. It encompasses a vast amount of different types of legal issues. Tort is a civil law that aims to return individuals back in the position they were in before the wrong was committed against them to ensure they do not suffer any unnecessary loss.
