From the Christian story that expressed the earliest Puritan yearnings to New Age spirituality, apocalyptic environmentalism, and the multicultural search for ancestral roots that divert our own, The Real American Dream evokes the tidal rhythm of American history. It shows how Americans have organized their days and ordered their lives--and ultimately created a culture--to make sense of the pain, desire, pleasure, and fear that are the stuff of human experience.

*The Real American Dream - Andrew Delbanco | Harvard ...*

The American Dream is a national ethos of the United States, the set of ideals in which freedom includes the opportunity for prosperity and success, as well as an upward social mobility for the family and children, achieved through hard work in a society with few barriers. In the definition of the American Dream by James Truslow Adams in 1931, "life should be better and richer and fuller for everyone, with opportunity for each according to ability or achievement" regardless of social class or ci
