The Truth About Managing People and Most management guides just don't work. Either they're too complex and academic, or they rely primarily on opinion and anecdote, not tested evidence. The Truth About Managing People, Fourth Edition is radically different – and that's why it's so remarkably useful. Top management author Stephen P. Robbins has distilled thousands of research studies, meta-analyses, and Big Data investigations into a set of 63 proven, tested solutions for today's toughest management problems.
