Develop your own creative approach, no matter what your skill level with The Urban Sketching Handbook:

Reportage and Documentary Drawing.

The third volume in The Urban Sketching Handbook series,

Reportage and Documentary Drawing,

is about drawing as a form of

journalism or documenting life. This

includes drawings events such as

parades, music performances,

sporting events, speeches, and can

include everything from newsworthy

political events to simply documenting

a day's adventures.

Now in a new format, the best-selling book series, Urban Sketching, is reconfigured into this portable

package, which includes an informational book and companion sketchpad full of prompts and drawings. This guide tackles specific challenges of making sketches on location.

~~The Urban Sketching Handbook  
Understanding Perspective ...~~

Urban sketching is a tree with its middle chopped away to accommodate Seattle's ubiquitous power lines. It's about a couple of women chatting over coffee, or about workers roofing the house next door. It's about an excavator filling a hole where a cherry tree once stood. Or the Tibetan monastery I drive by
