You can use ediscovery tools in Microsoft 365 to search for content in Exchange Online mailboxes, Microsoft 365 Groups, Microsoft Teams, SharePoint Online and OneDrive for Business sites, and : 32.

Use discovery in a sentence | discovery definition

In a nutshell, guided discovery is a process that a therapist uses to help his or her client reflect on the way that they process information. Through the processes of answering questions or reflecting on thinking processes, a range of alternative thinking is opened up for each client. This alternative thinking forms the blueprint for changing perceptions and behaviours.
