Gordon Wood's defense of objective history is salutary, and besides this, as one would expect from a historian of his eminence, he makes many illuminating remarks about concrete issues in American history. Despite its considerable merits, though, his book suffers from a fundamental flaw. He protests against ideologists who impose their own concerns on the past; but Wood

*The Uses of History | Mises Institute*

So statesmen must know the history of their country, so as to be able to save their nation committing again the mistakes of the past, and guide it on right lines for the future. These are the chief uses of history. But, in addition, the study of history can give us much pleasure and instruction.

*What are the various uses of History?*

The authors differentiate between effective use and common use of history. They propose that the majority that uses history in decision making use it incorrectly. Problems arise in inappropriate analogies and a tendency to move too quickly to act. These must be overcome and replaced with the simple-to-use and easy to remember techniques.

The uses of history are varied. Studying history can help us develop some literally "salable" skills, but its study must not be pinned down to the narrowest utilitarianism. Some history—that confined to personal recollections about changes and continuities in the immediate environment—is essential to function beyond childhood.

*Why Study History? (1998) | AHA*

Apart from providing an intellectual training, the study of history is represented as a personal pursuit which at most enables the individual to achieve some self-awareness by stepping outside his or her immediate experience; in the austere formulation of V.H. Galbraith, 'the study of history is a personal matter, in which the activity is generally more valuable than the result'. 30 Neither of these justifications is peculiar to history: training the mind is part of all academic ...
