This edition features an introduction by Martin E. Marty. In the sections below the book 's contents will be outlined and reviewed.

The Varieties of Religious Experience
The Varieties of Religious Experience (1902) by William James, a psychologist and philosopher who taught at Harvard, contains, in edited form, a series of natural theology lectures called the Gifford Lectures which he delivered at the University of Edinburgh in the two years leading up to its publication. The lectures argue about the nature of religion and the tendency of modern religious studies to ignore the importance of science in their research.

James describes the methodology of his study. He explains that it would be of little benefit to base the research on common individuals who have confined religious experiences and imitate traditions which have been passed on to them. Instead, he chooses to focus the study on ' religious geniuses ' .

The Varieties of Religious Experience - The Gifford Lectures

The personal character of religious experience makes it essential to understand its varieties as manifested in different types of personality and the functions they perform. The mystic, a reflective and contemplative type, shuts out the world and all distracting influences in order to reach true selfhood through purification and enlightenment.

The Varieties of Religious Experience eBook: William James ...

The Varieties of Religious Experience (1902) is William James's classic survey of religious belief in its most personal, and often its most heterodox, aspects. Asking questions such as how we define evil to ourselves, the difference between a healthy and a divided mind, the value of saintly behaviour, and what animates and
