Sacagawea is known for her contributions to Lewis and Clark 's expeditions in the American West. A Lemhi Shoshone woman, Sacagawea traveled thousands of miles from North Dakota to the Pacific Ocean, establishing cultural contacts with Native Americans along the way. She has become a symbol of women 's worth and independence.

17 Famous Women in American History Who Improved Your Life

Page viii - At sunrise thirteen cannon discharged in the Green, and the continental flag displayed, being a grand silk flag presented by the ladies, cost 120 dollars. The stripes red and white, with an azure field in the upper part charged with thirteen stars. On the same field and among the stars was the arms of the United States, the field of which contained a ship, a plough, and three ...

Women played critical roles in the American Revolution and subsequent War for Independence. Historian Cokie Roberts considers these women our Founding Mothers. Women like Abigail Adams, the wife of Massachusetts Congressional Delegate John Adams, influenced politics as did Mercy Otis Warren.

Women in the American Revolution | American Battlefield Trust

The American West presented opportunities for some 19th-century Anglo-American women to cultivate a stronger sense of authority by positioning their domestic work as part of nation-building. Middle-class white women reformers interested in promoting Native American assimilation, for example, worked to define the well-kept single-family home—and the woman at its center—as a key marker of civilization.
