It is emotional like her Wrecked and Ruined series. Except on a completely different level and for a completely different reason. There are a few authors who can write a book and I don't have to read the synopsis, because it doesn't matter to me. I say this because I know that because their name is on the cover it won't matter what the book is ...

5.0 out of 5 stars The Wrecked and Ruined Series Box Set. Reviewed in the United States on March 3, 2016. Verified Purchase. In this series we get Brett & Jesse's story. The first story was absolutely amazing. Such strong characters, even if Jesse was a bit quite. I didn't enjoy how Brett seemed to talk his way through everything.

For the first time, The Wrecked and Ruined Series is available as a box set. One accident. Four lives. Forever changed.

I met Sarah Kate Erickson when I was twenty-one years old. I was lucky enough to keep her for seven years before a tragic accident stole her from me. She didn't die, but sometimes I think it would have been easier if she had. I lived in a haze for those four years after the accident. Catering to her every need, even though she hated the very sight of my face. I tried to hold on to her and the future that we were supposed to build together. But you can't hold on to someone that doesn't exist anymore. It wasn't until I met Jesse Addison, a barista at the local coffee shop, that I realized I didn't just lose Sarah that tragic night, I lost myself as well. Jesse taught me how to let go of the past and learn to love again. But what happens when your past haunts your present and the woman you used to love refuses to accept the woman you can't live without?\*"Intended for readers 18+. Each book in this series can be read as a standalone."

I fell in love with Manda Baker eight years ago, and I loved her to the core of her soul. We were supposed to have that elusive happily every after and spend a lifetime together. But that was all before she was STOLEN from me. Her best friend, Sarah Erickson, killed her. It wasn't intentional. It was far worse.

Seven years ago, my life changed forever. One accident and the person I saw in the mirror no longer resembled the woman I used to be. I was lost and confused inside my own body. I felt alone and disconnected from the world, carrying the incredible weight of guilt and loss that wasn't even mine to harbor. Then fate led me to Leo James. He taught me that crazy could be perfectly normal and it shouldn't hurt to breathe. Don't get me wrong, Leo isn't perfect. He has his own cross to bear, and the truth is, that might be why I fell for him in the first place. But despite everything he does for me, learning to forgive myself is infinitely harder than overlooking the flaws of another. Now, the secrets and lies of our past have begun to dictate our future-threatening to ruin us before we get the chance to try. Perhaps we were cursed from the start. Or maybe, just maybe, the remnants of our fractured lives will fit together to form one whole, where love isn't questioned and being happy is...well, easy. Can a second broken soul be enough to fill the voids of my own? Or will such scarred pasts prove too much for our love alone to overcome?

My name was Dr. Erica Hill. I was a victim, then a witness, and then I ceased to exist altogether. I may still be breathing, but stripped of my identity, I have long since stopped living. I am invisible, and my life depends on my ability to stay in the shadows. But he sees me. Slate Andrews is the embodiment of everything I have been taught to avoid. He's rich and famous, and one image of him with a woman would earn millions for any paparazzi lucky enough to snap it. He has vowed to protect me with his life...yet he exposes me with his every breath. I should be stronger and walk away. I should disappear. But I'm terrified he would come after me. I'm on the run, determined not to take him down with me but absolutely unable to let him go. My name is Riley Peterson...at least for today. "Among The Echoes is a stand alone novel which contains material that may be offensive to some readers. Including sexual abuse, graphic language, and adult situations. Intended for readers 18+."

My life is boring. Monotonous. And then tall, dark, and dangerous walks into the bar where I work. Before I know it, I ' m in his arms asking him to rescue me. He ' s Colt Weston, President of the Blue Angels MC. Colt makes me feel alive...and wanted. The Blue Angels embrace me as one of their own, and when a violent rival threatens to tear us apart, I learn what loyalty truly means. Family. Sacrifice. Revenge. There ' s nothing Colt won ' t do to protect me.

I loved him before I knew what the word meant. From skinned knees to first dates and everything in between. But he was never mine to love. I settled for friendship, even though I always wanted more. That was before. Before he ripped my world apart and didn ' t bother sticking around to help me pick up the pieces. I knit every last shred back together all on my own. And I ' ve all but forgotten his name. Now, he ' s back, and everything is torn apart once more. But he ' s not the only one doing the tearing this time. And there might be no stopping the person who has it out for us both. \*\*\*\*\* Read what others are saying about Reckless Memories: " No one can weave a mystery into a romance like Catherine Cowles. New York Times bestseller Amy Tintera ' s YA fantasy trilogy blends the romance of Kiera Cass ' s Selection series and the epic stakes of Victoria Aveyard ' s Red Queen in a story of revenge, adventure, and unexpected love. Emelina Flores has nothing. Her home in Ruina has been ravaged by war; her parents were killed and her sister was kidnapped. Even though Em is only a useless Ruined—completely lacking any magic—he is determined to get revenge. Her plan is simple: She will infiltrate the enemy ' s kingdom, posing as the crown prince ' s betrothed. She will lead an ambush. She will kill the king and everything he holds dear, including his son. The closer Em gets to the prince, though, the more she questions her mission. Her rage-filled heart begins to soften. But with her life—and her family—on the line, love could be Em ' s deadliest mistake.

My past taught me to play it safe. To stay far away from handsome men who promised it all. My life was good without them. Stable, secure, predictable. But one kiss showed me that I ' d been playing it safe for far too long. One night and all I wanted was more of his wildfire. One challenge and my carefully constructed walls tumbled down. Amidst the rubble, I realized there was more to this man than I ever dreamed. When everything fell apart, he showed me what it meant to stay. How to truly live. But some demons don ' t stay buried. The past can come knocking when you least expect. And the life he ' s showing me might be shorter than either of us expected...

One night was all it took for everything to change. From college student to guardian in a single breath. My siblings became my world. No time for date nights or romantic dreams. I traded quiet weekends for sleepless nights. Giving my all to make sure they were cared for. But Griffin had a brokenness that called to me—one that mirrored my own. Gruff and just a little bit reckless. He was the last thing I needed. But everything I wanted. Only someone isn ' t happy about this new life I ' m building. Deciding to set fire to everything I hold close. And when the smoke clears, there might be only ashes left behind... \*\*\*\*\* Read what others are saying about Wrecked Palace: "A tortured hero, an inspirational heroine, suspense, and a slow-burn romance are the perfect recipe for a book that will utterly captivate readers. I wanted to jump. He made me fall. As a celebrity, I lived in the public eye, but somewhere along the way, I ' d lost myself in the spotlight. Until he found me. Sam Rivers was a gorgeous, tattooed stranger who saved my life with nothing more than a simple conversation. But we were both standing on that bridge for a reason the night we met. The secrets of our pasts brought us together-and then tore us apart. Could we find a reason to hold on as life constantly pulled us down? Or maybe there's only one direction to go when two people fall in love at rock bottom-up.
