In a 1953 interview, Shaw commented, "what I was trying to do in *The Young Lions* was to show the world at a certain point in its history, its good and evil, and as many people as I could crowd into the book struggling through that world, trying to find some reason for trying to stay alive in it". He described the character of the German soldier Christian: "I wanted to show how a man can start ...

The great novel by Irwin Shaw, *The Young Lions*, delivers several messages; among them, the parallel of conformity emanating from separate sources. One young man is a zealot in a community of conformist patriots who blindly follow a man bent on righting a situation that is wrong only in his ego-maniacal mind. The other young man is an unenthusiastic patriot in military service, who adheres to the "Great American Ideal," which is itself conformity.

The Young Lions is a vivid and classic novel that portrays the experiences of ordinary soldiers fighting World War II. Told from the points of view of a perceptive young Nazi, a jaded American film producer, and a shy Jewish boy just married to the love of his life, Shaw conveys, as no other novelist has since, the scope, confusion, and complexity of war.
