Time Zones, Second Edition is a four-skills program designed to teach teenagers how to use English effectively, developing them into successful global citizens.

Time Zones, Third Edition uses amazing photography, updated videos, and inspiring stories of global citizens to encourage teenage learners to explore the world in English. Through teacher-tested language lessons, carefully scaffolded practice activities, and teaching resources that keep classrooms engaged, Time Zones, Third Edition delivers the skills and language that learners need for wherever they're going next.

"Time Zones" is a geography lesson for 3rd grade students on the history and purpose of time zones. Cynthia W. Nagamine created this lesson and includes the lesson objectives and procedures, as well as a list of the materials needed. The Hawaii Geographic Alliance provides the lesson online.
