The Toshiba DR430 DVD Recorder isn ' t just a simple DVD recorder. Your kids may not appreciate the comparative fuzziness of VHS images, but the movies you burn on your DVDs don ' t have to look that way. The Toshiba DR430 DVD recorder is a very good for home recording. My only complaint is the clock gains several seconds a day. Although this is not much, over several weeks, your start and end times will be off enough that you may miss part of the program you are recording. I have been setting the clock each time I record a program.
