Ben Cameron’s tragicdoodles have been hailed as “the most upsetting doodles in the world” (Mirror) and as the work of “an artist with a knack for pulling on the internet’s heartstrings” (Buzzfeed). This first-ever printed collection brings together Ben’s most popular, heartbreaking, bittersweet and endlessly witty cartoons, combining his viral creations with brand new, never-before-shared illustrations. Flip through and witness the dinosaurs’ final moments on Earth, a melting candle facing its all but certain demise, a hedgehog who’s just looking for love, an existential bear and a host of other creatures who are just trying to make it through the day. Packed with 101 illustrations that will make you sad, make you laugh, and then make you feel bad for laughing, Tragicdoodles is a must-have collection and the perfect Christmas gift.

From the authors of the breakout bestseller *All my friends are dead*. and in the humorous vein of *Go the F**k to Sleep* comes a laugh-out-loud collection of bad advice that turns the children’s alphabet book on its head. Adorable illustrated characters lead readers down a path of poor decision-making, and alphabetical, rhyming couplets offer terrible life lessons in which O is for opening things with your teeth, F is for setting Daddy’s wallet on fire, and R is for Raccoon (but definitely not for rabies). With plenty of playfully disastrous choices lurking

around every corner, this compendium of black humor may be terrible for actual children, but it's perfect for the common-senseless child in all adults.

Traditional tattoo flash coloring book featuring reptiles, amphibians, and tarantulas.

A humorous and charming investigation into what it really means to have proper manners. Most of us know a bit about what passes for good manners—holding doors open, sending thank-you notes, no elbows on the table—and we certainly know bad manners when we see them. But where has this patchwork of beliefs and behaviors come from? How did manners develop? How do they change? And why do they matter so much? In examining English manners, Henry Hitchings delves into the English character and investigates what it means to be English. *Sorry!* presents an amusing, illuminating, and quirky audit of British manners. From basic table manners to appropriate sexual conduct, via hospitality, chivalry, faux pas, and online etiquette, Hitchings traces the history of England's customs and courtesies. Putting some of the most astute observers of humanity—including Jane Austen and Samuel Pepys—under the microscope, he uses their lives and writings to pry open the often downright peculiar secrets of the English character. Hitchings's blend of history, anthropology, and personal journey helps us understand the bizarre and contested cultural baggage that goes along with our understanding of what it means to have good manners.

I remember when I thought my life would be like the fairy tales I read about. I'd do anything to go back in time when everything was so simple. When my knight in shining armor had a face and a name. When my biggest secret was that I snuck out at night to watch the stars. I'm worried that there's a sickness in me, swallowing me whole. I don't understand what's happening to me. I don't understand why the only person I can find solace in is someone I can't see. I should want justice. But I don't. I want revenge. I need vengeance like I need the air I breathe. No one can feel my pain. No one can see just how badly I've been burned. I've danced in the flames my whole life. I know how to live in the fire. But I've never come out unscathed. A piece of me always turns to ash and there is no going back. I can never be that little girl again. I'm no princess. I'm the villain. I've been consumed by the flames, and I want everything in my path to burn.

The world can always use a laugh. But today, the world could really use these laughs in this collection of comic strips and panel cartoons. *Love and Other Weird Things* is a cartoon collection by soon-to-be-household-name-if-there's-any-justice-in-this-world Rich Sparks. The cast of characters seem innocuous enough: foul-mouthed animals, Paul Bunyan, eccentric women, men in their skivvies. But the situations give Monty Python a run for their money. And the juxtapositions--good heavens! Sparks has been published in the *New Yorker*, the *Wall Street Journal*, *American Bystander*, *Weekly Humorist*, and many other publications. Now he breaks out on his own with approximately 150 bizarre but sweet (seriously? Somebody needs to check the definition of sweet.) but also really funny cartoons.

A hilarious illustrated meditation on the question that runs through the mind of every woman who cohabitates with--or simply enjoys the company of--the opposite sex: Seriously, WTF is wrong with men? If you've ever laid awake at night wondering why the man in your life seems physically incapable of moving a two-pound laundry basket 45 degrees in order to accurately deposit a pair of dirty socks (#literallywhy), you'll find succor in this lighthearted--but smart and savvy--collection of all those little stories that women share about their dudes. From WTFs throughout history (like how Attila the Hun was so in love with his bride-to-be that he felt the need to destroy Italy en route to picking her up), to WTFs at home (Your Husband Put the Baby to Sleep: What's Wrong with This Picture?), to WTFs in the wild (Manspreading: A Diagram), Seriously WTF offers a compilation of positively eye-rolling conversations, illustrations, anecdotes, e-mails, text messages, and miscellany that will make women everywhere think, Yup. That.

What does every aspiring comic artist REALLY want to draw? Action, of course! Learn how to render all aspects of adrenalin-filled movement, from jaw-dropping superhero antics to kick-ass fistfights. Techniques for drawing every dynamic action are explained, from body contact and flying through to fistfights, group rumbles and full-on battles. Clever exercises show how to achieve convincing movement, from dynamic standing poses, to running, swinging, flying and fighting. An Action File of comic character drawings in dynamic poses forms an invaluable resource for practice and reference.
