Vegetable Literacy: Cooking and Gardening with Twelve ...
This article investigates ways of exploring literacy and numeracy through a kitchen garden program. This learning can occur by osmosis, depending on the situation. It can also be targeted and deliberate - whether through hands-on activities in the kitchen and garden spaces, or by making learning links between the classroom and a kitchen garden program.

Teacher Talk: Literacy and numeracy in a kitchen garden ...
Destined to become the new standard reference for cooking vegetables, Vegetable Literacy, by revered chef Deborah Madison, shows cooks that vegetables within the same family, because of their shared characteristics, can be used interchangeably in cooking. For example, knowing that dill, chervil, cumin, parsley, coriander, anise, and caraway come from the umbellifer family makes it clear why ...
