In this paper, three of Vygotsky's hypotheses will be examined at the light of 21st century scientific developments: 1) The influence of cultural factors on human cognition — that is, his cultural-

Download Free Vygotsky In 21st Century Society

historical approach to psychology;
2) The role of language in higher
psychological processes (i.e.,
language represents the major
mediator of human cognition);
and finally, 3) The hypothesis that
