Book Review: *When the Body Says No: The Cost of Hidden Stress* by Gabor Maté. Published by Vintage Canada 2004 ISBN 0-676-97312-4. Reviewed by Sarah Kay. 'When the Body Says No' has been around now for a while and is on the reading list at the college where I teach. It's a great book for students and teachers alike because it is not pedantic or preachy or unintelligible like some psychology tomes.

*Book Review: When the Body Says No: The Cost of Hidden ...*

When a child learns that "no" is acceptable to say to others, it empowers them about their body and physical space. It doesn't matter if your child sees Grandma often, obviously, there is no inherent risk in hugging her, but the principle you teach your child when you support their decision to set boundaries is what matters.

*Respecting a Child's Right to Say No & Make Choices About ...*

*When the Body Says No* promotes learning and healing. It offers the kind of transformative insight that promotes physical and emotional self-awareness-- the lack of which, Dr. Maté asserts, is at the root of much of the stress that chronically debilitates health and prepares the ground for disease.

The body says no, no, no, no. The body says no, no, no, no. I say: man, can you believe, she didn't need me Heavens to Betsy, Come one let's see, What could be worse than the wheel of history? Rolling up over the rooms you've prayed in, What could you do in the situation? You throw the voice you know wouldn't say yes, The body says no, no, no ...

*THE BODY SAYS NO Lyrics - NEW PORNOGRAPHERS | eLyrics.net*

"The body says no." At that time, Vamvalis had been holding off on her decision. She was waiting to see if there were any major changes to the back to school plan that would allow her to feel comfortable returning to school health wise, but would also make her feel like she could adequately support her students.
