Women's Movements in the Global Era: The Power of Local ...

The Women's Liberation Movement of the late 1960s and 1970s therefore emerged from women's desires to revolutionize the fundamental aspects of female life at that time: domesticity, employment, education and sexuality. In 1966, Betty Friedan and other prominent feminists formed the National Organization for Women (NOW). NOW became the umbrella organization for many feminist causes, uniting older, college-educated, predominantly white women.
