SpriteSpot.com's Reference Desk serves as a download area for different tech manuals, "how-to" and other reference files--just like the reference desk at your local library. It is intended that over the months and years, this section will grow as we receive contributions from our members, and that we'll end up with a "library" of materials to help Spridget enthusiasts.

Austin-Healey Sprite 1962 Workshop Service Repair Manual
However, the contents are mainly about the second generation of the Austin Healey Sprite, and you really have to search to understand what information that there is for the Sprite Mark 1. (Bug Eye or Frog Eye) It will prove to be a good guide, but you will have to diligent using it. This is not a shop manual; it is a reasonable guide.
