An international, six-stage Primary English as a Second Language (ESL) course mapped to the Cambridge International ESL curriculum and to the CEFR framework.

Cambridge English for the World offers: - an approach centred around the whole educational context of learning English at school - links across the school curriculum to other subject areas throughout the course, and to other classes in different countries - content and concepts related to learners' ages and levels of ability - an organisation which takes into account the realities of teaching English at school: mixed abilities, mixed motivation, time available, and class size - material which has been developed and successfully piloted in collaboration with teachers and classes in many parts of the world. The course consists of four levels, plus a Starter level for learners with little or no previous English. The content and tasks in level 3 reflect the needs and interests of young adult learners, taking them to an intermediate level.

Cambridge Global English (7-8) is a lower Secondary course following the Cambridge Secondary English as a Second Language Curriculum Framework developed by Cambridge English Language Assessment. The course is also aligned with the Common European Framework of Reference.
