Based on interviews with 3,432 adults, a group of social scientists offers a detailed, accurate report on Americans' sexual habits, including how frequently they have sexual intercourse, what they do in bed, and how many people are homosexual. 75,000 first printing. Tour.

When they were children in the suburbs of Los Angeles in the 1950s, Diane Keaton and her younger brother, Randy, were best friends and companions- they shared stories at night in their bunk beds; they swam, laughed, and dressed up for Halloween. Their mother captured their American-dream childhoods in her diaries and on camera. But as they grew up, Randy became troubled, then reclusive. By the time he reached adulthood, he was divorced, an alcoholic, a man who couldn't hold on to full-time work-his life was a world away from his sister's and from the rest of their family. Now Diane is delving into the nuances of their shared, and separate, pasts to confront the difficult question of why and how Randy ended up living his life on "the other side of normal." In beautiful and fearless prose that's intertwined with photographs, journal entries, letters, and poetry-many of them Randy's own writing and art-this insightful memoir contemplates the inner workings of a family, the ties that hold it together, and the special bond between siblings even when they are pulled far apart. Here is a story about love and responsibility; about how, when we choose to reach out to the people we feel closest to-in moments of difficulty and loss-surprising things can happen. A story with universal echoes, Brother & Sister speaks across generations to families whose lives have been touched by the fragility and "otherness" of loved ones-and to brothers and sisters everywhere.

We idealize childhood and demonize adolescence, often viewing the typical teenager as a bundle of problems. Yet according to a new book, The Teen Years Explained: A Guide to Healthy Adolescent Development, by Clea McNeely, MPH, DrPH and Jayne Blanchard, adolescence can be a time of opportunity, not turmoil. By understanding the developmental stages and changes of adolescence, both teens and adults can get the most out of this second decade of life. In plain English, this guide incorporates the latest scientific findings about physical, emotional, cognitive, identity formation, sexual and spiritual development with tips and strategies on how to use this information in real-life situations involving teens. Whether you have five minutes or five hours, you will find something useful in this book. This practical and colorful guide to healthy adolescent development is an essential resource for parents, teens, and all people who work with young people.

" An immensely lovable debut novel . . . It ' s the kind of magic you ' ll feel lucky to find. " —Ron Charles, The Washington Post SHORTLISTED FOR THE COSTA FIRST NOVEL AWARD FINALIST FOR THE IRISH BOOK AWARD FOR NEWCOMER OF THE YEAR FINALIST FOR THE COMEDY WOMEN IN PRINT PRIZE Meet Majella O ' Neill, a heroine like no other, in this captivating Irish debut that has been called Milkman meets Derry Girls Majella is happiest out of the spotlight, away from her neighbors ' stares and the gossips of the small town in Northern Ireland where she grew up just after the Troubles. She lives a quiet life caring for her alcoholic mother, working in the local chip shop, watching the regular customers come and go. She wears the same clothes each day (overalls, too small), has the same dinner each night (fish and chips, microwaved at home after her shift ends), and binge-watches old DVDs of the same show (Dallas, best show on TV) from the comfort of her bed. But underneath Majella ' s seemingly ordinary life are the facts that she doesn ' t know where her father is and that every person in her town has been changed by the lingering divide between Protestants and Catholics. When Majella ' s predictable existence is upended by the death of her granny, she comes to realize there may be more to life than the gossips of Aghyboegy, the pub, and the chip shop. In fact, there just may be a whole big world outside her small town. Told in a highly original voice, with a captivating heroine readers will love and root for, Big Girl, Small Town will appeal to fans of Sally Rooney, Ottessa Moshfegh, and accessible literary fiction with an edge.

One woman's secret Journal completely changes her marriage in this hilarious and biting memoir—the inspiration for the Netflix Original Series SEX/LIFE. School psychologists aren't supposed to write books about sex. Doing so would be considered "unethical" and "a fireable offense." Lucky for you, ethics was never my strong suit. Sex/Life: 44 Chapters About 4 Men is a laugh-out-loud funny and brutally honest look at female sexuality, as told through the razor-sharp lens of domesticated bad girl BB Easton. No one and nothing is off limits as BB revisits the ex-boyfriends—a sadistic tattoo artist, a punk rock parolee, and a heavy metal bass player—that led her to finally find true love with a straight-laced, drop-dead-gorgeous . . . accountant. After settling down and starting a family with her perfectly vanilla "husbot," Ken, BB finds herself longing for the reckless passion she had in her youth. She begins to write about these escapades in a secret journal, just for fun, but when Ken starts to act out the words on the pages, BB realizes that she might have stumbled upon the holy grail of behavior modification techniques. The psychological dance that ensues is nothing short of hilarious as BB wields her journal like a blowtorch, trying to light a fire under her cold, distant partner. Sometimes it works, sometimes it doesn't, but in the end, BB learns that the man she was trying so hard to change was perfect for her all along.

The #1 New York Times Bestseller: " A hilarious take on that age-old problem: getting the beloved child to go to sleep " (NPR). " Hell no, you can ' t go to the bathroom. You know where you can go? The f\*\*k to sleep. " Go the Fuck to Sleep is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don ' t always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won ' t care.

No. 104-117 contain also the Regents bulletins.

As if your HR Department didn't have enough to worry about, WTF? is holding its own office orientation. From dealing with workplace politics and romancing coworkers to climbing the success ladder or getting canned, WTF? Work shows you how to handle the daily lows of holding down a j-o-b. Whether you're sitting in the cubes or in the corner office, working the counter or bussing the tables, WTF? provides an employee handbook that's actually worth reading. It leaves the PC stuff to the professionals and instead delivers some not-safe-for-work advice for when your job has you saying, "WTF?" For even more f#!-ing fun, visit www.WTFComedyStop.com

This collection of essays focuses on the representations of " bad girls "—women who challenge, refuse, or transgress the patriarchal limits intended to circumscribe them—in television, popular fiction, and mainstream film from the mid-twentieth century to the present. Perhaps not surprisingly, the initial introduction of women into Western cultural narrative coincides with the introduction of transgressive women. From the beginning, for good or ill, women have been depicted as insubordinate. Today ' s popular manifestations include such widely known figures as Lisbeth Salander (the " girl with the dragon tattoo " ), The Walking Dead ' s Michonne, and the queen bees of teen television series. While the existence and prominence of transgressive women has continued uninterrupted, however, attitudes towards them have varied considerably. It is those attitudes that are explored in this collection. At the same time, these essays place feminist/postfeminist analysis in a larger context, entering into ongoing debates about power, equality, sexuality, and gender.
