You can create a reminder and have Cortana remind you about something at a specific time, when you get to a specific location, or when you talk to a specific person. You can also just say something like “Remind me to take my pill at 8pm” or “Remind me to buy milk when I get to [name of a store]” to instantly create a reminder.

15 Things You Can Do With Cortana on Windows 10

One potential reason you may not believe you can do something is your tendency to overestimate what it takes to do it. You encounter an unknown and you simply assume that the task is too hard or impossible to achieve. However, getting more information or clarifying what you already do know can help the task seem more feasible. Here are some ways you can become more educated about the task: Conduct research.
