Immersing the reader in Moat's self-
justifications, You Could Do Something
Amazing With Your Life [You Are Raoul Moat]
is both an experiment in empathy and an
exploration of the limits of empathy -
holding the reader hostage in the echo
chamber of an angry and confused man's head.

Prezi, on the other hand, makes use of a
single canvas where you put all your ideas
together. Since it's not slide-based, it uses
a pan and zoom animation to move from one
part of the canvas to another. Now you can do
the same with PowerPoint. If you have Office
365, you can use Zoom animation to create
Prezi-like effects.
